MORETON BAY.

Alteration in position and in the sectors of Yellow Patch light—Howe or North Channel.

With reference to Notice to Mariners No. 59, dated the 5th ultimo, issued by this Office, the British Admiralty has given further notice (No. 229 of 1890) that the illuminating apparatus of Yellow Patch light has been shifted to a light-room E. N. E. of the old light-house, and when in line with Cape Moreton light bears E. by S. $\frac{1}{2}$ S. southerly. This line of direction intersects that of Tangaluma and Cowan Cowan lights in line at the northernmost point at which that leading mark should be used.

The southern limit of the inner *white* sector of Yellow Patch light is on an E. $\frac{1}{4}$ S. bearing, as formerly. Vessels when northward of this southern limit must keep Tangaluma light, slightly open westward of Cowan Cowan light, and should not get westward of the leading mark of Tangaluma and Cowan Cowan lights in line while within the distance of one mile southward of the limit. With the lights in line, the depth abreast East bank does not now exceed 17 feet at low water.

The outer *white* sector of Yellow Patch light is obscured by the land eastward of the bearing S. $\frac{3}{4}$ E.

The inner limit of the *red* sector of Yellow Patch light leads northward of the floating beacon north of East bank, as formerly.

NOTIFICATION No. 178Mne.

The 15th July 1890.—In exercise of the powers conferred upon him by section 6 of Act X of 1889 (the Indian Ports Act), the Lieutenant-Governor is pleased to make the following rules under sub-section 1, clause (p) of that section, for regulating the action to be taken by a master when there is disease or sickness or a dead body on board his vessel in the port of Calcutta.

Rules.

1. On the occurrence of a case of cholera, small-pox, or other dangerously communicable disease on board any ship lying in the port, the master shall, as early as possible, send the affected person to hospital, and shall cause the flag R to be hoisted at the fore as a signal to the Health Officer of the Port, and such signal shall not be lowered until the Health Officer has visited the ship.

2. The master shall afford such information in regard to the occurrence of the disease as the Health Officer may require, and shall carry out such reasonable instructions regarding the cleansing and disinfection of the vessel, and the disposal of polluted clothing, bedding, &c., as that officer may consider it necessary to give.

3. If, by reason of the prevalence of any dangerously communicable disease on board any ship, the Health Officer and one other medical officer in the service of the Government at Calcutta jointly consider it absolutely necessary for the safety of the crews of other vessels that such vessel should be segregated, the Health Officer shall furnish the master with a certificate to that effect. The master shall, on receipt of such certificate, forthwith give notice accordingly to the Harbour Master, and the vessel shall be removed to Mateabrooj, or such other place as the Port Commissioners may direct.

4. On the occurrence of a death on board, the master shall, without delay, inform the River Police, whose permission shall be obtained before the corpse is removed.

RED SEA.

A new light-house established on the island of Sheikh-ul-Abu.

THE Government of Bombay has given notice that the Musawwa authorities have established a light-house on the N. N.-W. point of the island of Sheikh-ul-Abu, situated—
N. Latitude $16^{\circ} 2' 16''$,

E. Greenwich Longitude $39^{\circ} 24' 45''$.

The light is a fixed one, and on clear nights can be seen at eight miles distance. At low tide it is about 14 metres above the level of the sea. It illuminates with red light a sector of 40° between the 136th 176th degree, with white light a sector of 160° , leaving a dark sector of 160° between the 336th 136th degree.

MORETON BAY.

Amended southern limit of inner white sector of Yellow Patch light.

WITH reference to Notice to Mariners, No. 78, dated the 10th June 1890, issued by this Office, the British Admiralty has given notice (No. 301 of 1890) that the southern limit of the inner *white* sector of Yellow Patch light is on an E. $\frac{1}{4}$ S. bearing, not E. $\frac{1}{2}$ S., as previously stated. Vessels entering North channel when northward of this southern limit must keep Tangaluma light slightly open westward of Cowan Cowan light, and should not get westward of the leading mark of Tangaluma and Cowan Cowan lights in line while within the distance of one mile southward of the limit. With these lights in line, the depth abreast East bank does not now exceed 17 feet at low water.

Also that Yellow Patch old lighthouse is still standing, and kept in line with cape Moreton lighthouse, gives by day the same position in Howe or North channel, as that of the southern limit of the inner *white* sector of Yellow Patch light.

Position of Point Divi light-house.

The following Notice to Mariners (No. 289 of 1890) issued by the British Admiralty is republished:—

The following information has been received from Commander R. F. Hoskyn, R. N., in charge of India Marine Survey, relative to the position of point Divi light-house:—

Point Divi light-house is situated on the bank of the river, not on the coast, S. 7° W., 9¹/₁₀ miles from Masulipatam flagstaff, or in lat. 15° 59' 30" N., long. 81° 8' E.; it is on the eastern bank of the river, but owing to the inaccuracy of the existing chart, the above position places it on the western bank. The configuration of the coast has also much altered since last surveyed.

THE following Notice to Mariners, No. 289 of 1890, issued by the British Admiralty, is republished :—

The following information has been received from Commander R. F. Hoskyn, R. N., in charge of India Marine Survey, relative to the position of point Divi light-house :—

Point Divi light-house is situated on the bank of the river, not on the coast, S. 7° W. 9.8 miles from Masulipatam flagstaff, or in lat. 16° 59' 30" N., long. 81° 8' E.; it is on the eastern bank of the river, but owing to the inaccuracy of the existing chart, the above position places it on the western bank. The configuration of the coast has also much altered since last surveyed.

HIGH COURT NOTICES.

General Letter No. 7, dated Calcutta, the 2nd July, 1890.

From—H. W. C. CARNDUFF, Esq., Offg. Registrar,
To—The District Judge of

I AM directed to invite your attention to the High Court's Notification of this date on the subject of the rate at which charges should be levied under Section 8 of Act XII of 1856 on account of the daily expenses of a Civil Court Ameen employed on any duty connected with a pending suit or the execution of a decree, except a sale of property.

2. I am to point out that the rate thus fixed is not intended to interfere with the exercise of the discretion, given by Section 397 of the Code of Civil Procedure, to fix the expenses of any commission ordered by it and to direct payment of such sum before the issue of the commission. In such sum, if the Court thinks proper, the amount payable as travelling allowance may be included; but it should be understood that no party should be charged on account of any expense with any sum which is not actually incurred or chargeable by some authoritative rule or legal enactment.

3. If the amount of the deposit under Section 397 of the Code has been exceeded and, therefore, found to be insufficient, no further expense should be incurred until some further sum has been paid into Court by the party concerned. The proceedings of the Commissioner should be forthwith suspended, and should the necessary deposit not be made within a reasonable time, the trial should proceed.

NOTIFICATION.

Dated the 2nd July 1890.

It is hereby notified that the High Court is pleased to direct, under Section 8 of Act XII of 1856, that, whenever it is proposed to employ a Civil Court Ameen on any duty connected with a pending suit or the execution of a decree (save by the sale of property), the charge for the expense of the Ameen shall be at the fixed rate of three rupees per diem.

NOTIFICATION.

THE following Rules framed by the High Court of Judicature at Fort William in the exercise of the powers vested in it by Section 15 of the Charter Act, 24 and 25 Victoria, Chapter CIV, and sanctioned by the Governor-General in Council, are published for general information.

H. W. C. CARNDUFF, *Offg. Registrar.*

The 14th July, 1890.

1. To Rule 5, Clause (a), Chapter III, at page 35 of the General Rules and Circular Orders (Civil), add the following:—

NOTE.—Any sum deposited in Court under Section 14 (1) of the Succession Certificate Act (VII of 1889) with an application for a certificate or for the extension of a certificate must be classed as a Civil deposit.

2. To Rule 9 of the same Chapter at page 38, *ibid*, add the following:—

Any sum deposited under Section 14 (1) of the Succession Certificate Act (VII of 1889) must be received in cash, even though tendered after the hour prescribed by Rule 15.

To the explanatory note under Rule 19 of the same Chapter at page 40, *ibid*, add the following:—

In the case of sums deposited under Section 14 (1) of the Succession Certificate Act (VII of 1889), the deposit chalang must show that the amount is deposited to the credit of the Judge.

To Rule 36 of the same Chapter at page 46, *ibid*, add the following:—

The final order for payment of deposits under Section 14 (1) of the Succession Certificate Act (VII of 1889) must contain a direction to the Treasury Officer to pay the amount in stamps to the Nazir of the Judge to whose credit it was deposited, and to transfer the amount of deposit to Stamp Revenue.

HIGH COURT—(Original Side).

Dated the 21st July 1890.

The following Rules and Orders passed by the High Court of Judicature at Fort William in Bengal, with the sanction of His Excellency the Governor-General in Council are published for general information.

By order of the High Court,

R. BELCHAMBERS, Registrar.

It is ordered that the following Rules be read and passed as Rules of the High Court of Judicature at Fort William in Bengal, to take effect from the first day of August 1890:—

Rules for the preparation of Paper-books in Appeals from the Original Side.

1. When an appeal is preferred to the High Court from its Original Jurisdiction, the appellant's attorney shall prepare a Paper-book.

2. When the appeal is from an original decree, the Paper-book shall contain the following papers arranged in the following order:—

- (a) Table of contents with reference to pages.
- (b) The plaint.
- (c) Written statements.
- (d) Memorandum of the issues.
- (e) Depositions of witnesses examined on behalf of the plaintiff, including depositions taken *de bene esse*, if put in and used at the hearing.
- (f) Documentary evidence put in on behalf of the plaintiff, including such answers, to interrogatories delivered for the purposes of discovery as have been used at the hearing and marked as exhibits, together with the interrogatories so answered.
- (g) Depositions of witnesses examined on behalf of the defendant, including depositions taken *de bene esse*, if put in and used at the hearing.
- (h) Documentary evidence put in on behalf of the defendant, including such answers to interrogatories delivered for the purposes of discovery as have been used at the hearing and marked as exhibits, together with the interrogatories so answered.
- (i) The judgment.
- (j) The decree.
- (k) The memorandum of appeal.
- (l) Objections, if any, under Section 561 of the Code of Civil Procedure.
- (m) Any document rejected by the Original Court where its rejection is a ground of appeal or cross-objection.
- (n) Such other documents as the Registrar may direct on notice to the parties.

3. In the case of other appeals, only such papers shall be printed as were used by the parties at the hearing, or as the Registrar may direct on notice to the parties.

4. Only the English translation of any document, not in the English language, shall be entered in the Paper-book or printed.

5. The Paper-book shall be printed in accordance with the following directions issued by the Lords of the Privy Council in respect of appeals to Her Majesty in Council:—

- (a) All Paper-books are henceforth to be printed in the form known as demy quarto, and not in demy folio, as hath heretofore been used.
- (b) The size of the paper used is to be such that the sheet, when folded, will be eleven inches in height and eight inches and a half in width.
- (c) The type to be used in the text is pica type; but long primer is to be used in printing accounts, tabular matter and notes.
- (d) The number of lines in each page of pica type is to be forty-seven, each line being five inches and three-quarters or 146 millimetres.

6. There shall be ordinarily printed thirty copies of the Paper-book, but the Registrar may, when necessary, direct a larger number to be printed.

7. The appellant's Attorney shall be responsible for the preparation of the Paper-book, and shall, within two months from the filing of the memorandum of appeal, where the appeal is from an original decree, and within one month in other cases, deliver three copies of the

Paper-book to the Registrar, and shall also without delay deliver to the respondent, or to each respondent where there is more than one appearing separately, as many copies as he may require, not exceeding six, on payment by him of the price of such copies, the price being arrived at by dividing the cost of printing by the number of copies printed.

8. In the event of non-compliance with the last preceding rule, the respondent may apply, on notice to the appellant, to have the appeal dismissed for want of prosecution, or for such other order as he may be advised. If no application be made, the case will be set down in the next Peremptory List of appeals from the Original Side, and be disposed of by the Court as it may think fit.

9. The cost of preparing the Paper-book shall be at the following rates:—

- (a) The Court charges for office copies.
- (b) Copying papers for the press, including examination, at 8 annas per folio of 90 words.
- (c) Arranging papers for the press, 4 annas for each paper.
- (d) Examining and comparing papers, at 750 words per rupee.
- (e) Printing, actual cost, at a reasonable rate to be allowed by the Taxing Officer.
- (f) Lithographing maps (where necessary), actual cost.

10. The costs incurred in the preparation of the Paper-book shall be costs in the appeal unless as to the whole or any portion thereof the Court shall otherwise order.

11. A Division Bench may, upon application and upon sufficient cause being shewn, enlarge the time prescribed by these rules for doing any act to be done under their provisions. An application for enlargement of time must ordinarily be made before the expiration of the prescribed time, and must be supported by an affidavit of facts, and also by a certificate of the Registrar shewing the dates on which the acts prescribed by these rules were done.

A Division Bench may also, upon application and upon sufficient grounds verified by affidavit, exempt the parties or any of them from the operation of the whole or any part of these rules, or may make such special order as it deems fit as to any matter with which these rules are concerned.

12. Instead of the fees allowed to Attorneys under item 13 in Schedule I, and items 2, 8 and 18 in Schedule II of the General Table of fees (Belchambers' Rules and Orders, pages 325, 333 and 334), the following fees shall be allowed:—

To the Appellant's Attorney.

	Rs.
Instructions to advise on judgment, perusing judgment and advising thereon	25
Perusing papers and preparing observations for Counsel, in the discretion of the Taxing Officer	from Rs. 75 to 150
Briefing necessary papers not included in the Paper-book, at the ordinary rate	
Attendance in Court during the hearing of an appeal and when judgment is delivered, for each day not exceeding	50

To the Respondent's Attorney.

Instructions to defend	10
Attendance at the Office of the Appellant's Attorney to examine the printed copy of the transcript with the official copy, for every hour or part of an hour	5
Perusing papers and preparing observations for Counsel at the discretion of the Taxing Officer	from Rs. 75 to 150
Attendance in Court, the same as to the Appellant's Attorney.	

13. In these rules the word "Registrar" includes an Assistant Registrar, and words in the singular include the plural and *vice versa*.

14. These rules shall apply to appeals filed on and after the first day of August 1890.

Rule 467 at page 209 of Belchambers' Rules and Orders is hereby repealed, except as appeals filed previous to the said first day of August 1890.

NOTICE TO MARINERS—(No. 104).

NEW ZEALAND—NORTH-WEST COAST.

KAIPARA HARBOUR.

Additional leading beacons on North head.

THE British Admiralty has given Notice (No. 312 of 1890) that two additional leading beacons have been erected on the low sand hills seaward of the light-house on North head, north side of entrance to Kaipara harbour:—

The front beacon seaward of the light-house on North head is 25 feet high, painted white, and situated S.W. by W. distant $1\frac{1}{2}$ miles from North head light-house.

The rear beacon is 25 feet high, painted white, and bears N.E. $\frac{1}{2}$ N., distant 390 yards from the front beacon.

These beacons in line, bearing N.E. $\frac{1}{2}$ N., lead northward of Tory shoal; also over the bar, but on account of its distance from them, these beacons cannot always be seen from the bar, and therefore the beacons erected on the high land north-eastward of the light-house should, as hitherto, be used for crossing the bar.

Vessels entering Kaipara harbour, after passing Tory shoal, should haul more to the eastward to avoid getting too near the northern shore, both flood and ebb streams setting towards that shore.

A look-out should be kept for any signal shown from the Semaphore station on North head.

RED SEA.

A new light-house established on the island of Sheikh-ul-Abu.

THE Government of Bombay has given notice that the Musawwa authorities have established a light-house on the N. N.-W. point of the island of Sheikh-ul-Abu, situated—

N. Latitude $16^{\circ} 2' 16''$,E. Greenwich Longitude $39^{\circ} 24' 45''$.

The light is a fixed one, and on clear nights can be seen at eight miles distance. At low tide it is about 14 metres above the level of the sea. It illuminates with red light a sector of 40° between the 136^{th} 176^{th} degree, with white light a sector of 160° , leaving a dark sector of 160° between the 336^{th} 136^{th} degree.

MORETON BAY.

Amended southern limit of inner white sector of Yellow Patch light.

WITH reference to Notice to Mariners, No. 78, dated the 10th June 1890, issued by this Office, the British Admiralty has given notice (No. 301 of 1890) that the southern limit of the inner white sector of Yellow Patch light is on an E. $\frac{1}{4}$ S. bearing, not E. $\frac{1}{2}$ S., as previously stated. Vessels entering North channel when northward of this southern limit must keep Tangaluma light slightly open westward of Cowan Cowan light, and should not get westward of the leading mark of Tangaluma and Cowan Cowan lights in line while within the distance of one mile southward of the limit. With these lights in line, the depth abreast East bank does not now exceed 17 feet at low water.

Also that Yellow Patch old lighthouse is still standing, and kept in line with cape Moreton lighthouse, gives by day the same position in Howe or North channel, as that of the southern limit of the inner white sector of Yellow Patch light.

Position of Point Divi light-house.

THE following Notice to Mariners (No. 289 of 1890) issued by the British Admiralty is republished:—

The following information has been received from Commander R. F. Hoskyn, R. N., in charge of India Marine Survey, relative to the position of point Divi light-house:—

Point Divi light-house is situated on the bank of the river, not on the coast, S. 7° W., 9 $\frac{3}{10}$ miles from Masulipatam flagstaff, or in lat. 15° 59' 30" N., long. 81° 8' E.; it is on the eastern bank of the river, but owing to the inaccuracy of the existing chart, the above position places it on the western bank. The configuration of the coast has also much altered since last surveyed.

Night signals—Colombo harbour.

THE Colonial Government of Ceylon has given notice that on and after 1st August next, the following signals will be made at night from the Pilots' look-out tower at the Flagstaff, in answer to signals for a Pilot made by vessels inward bound:—

1. One blue light, to signify that the Pilot on night duty is disengaged, and will proceed at once to the vessel making the signal.
2. Two blue lights in succession with a short interval between, to signify that the Pilot is engaged with another vessel, and may be delayed some time in getting out to the vessel making the signal.
3. Three blue lights in succession with a short interval between, to signify that a Pilot will not go out, the weather being too bad for safely boarding a vessel at night, an event, however, which seldom happens. Under such circumstances the vessel should either anchor well out, or keep underweigh till daylight.

Shoal eastward of Proudfoot shoal.

THE British Admiralty has given notice (No. 323 of 1890) that telegraphic information has been received from Commander L. S. Dawson, H. M. Surveying Vessel *Rambler*, of the existence of a shoal with a depth of 24 feet over it, lying in the Western approach to Torres strait, with Proudfoot shoal bearing W. $\frac{1}{2}$ S., distant about 8 miles.

Approximate position, lat. $10^{\circ} 31' S.$; long. $141^{\circ} 37' E.$

This position is 3 miles W.N.W. of the rock, with about 18 feet on it, reported in Notice to Mariners No. 243 of 1890, 15 miles W. by N. of Booby island, and it is not improbable that the two are identical, as *Rambler* was directed to verify the former report.

EASTERN ARCHIPELAGO.

KE (K1) ISLAND.

Amended position of Batavier reef.

THE British Admiralty has given notice (No. 336 of 1890) of the following amended position and particulars of the Batavier reef, on the authority of the Commander of H. N. M. S. Flores, dated 3rd May 1890 :—

Batavier reef extends about $6\frac{1}{2}$ cables in a north-east and south-west direction, with a width of about 4 cables; the least depth obtained was $4\frac{1}{2}$ fathoms, and its position is indicated by discoloured water; it lies with the following bearings and distance :—

Cape Borang, north extreme of Great Ké island	N. 80° E.
Rumadan islet	S. 26° E.,
				distant about 8 miles.

Approximate position : lat. $5^{\circ} 21'$ S., long. $132^{\circ} 39'$ E.

NOTE.—About $3\frac{3}{4}$ cables northward of Batavier reef is a small shoal with a depth of 9 fathoms. Between the reef and the shoal, the lead gave no bottom at 20 fathoms.

KAIPARA HARBOUR.

Additional leading beacons on North head.

THE British Admiralty has given Notice (No. 312 of 1890) that two additional leading beacons have been erected on the low sand hills seaward of the light-house on North head, north side of entrance to Kaipara harbour :—

The front beacon seaward of the light-house on North head is 25 feet high, painted white, and situated S.W. by W. distant $1\frac{1}{4}$ miles from North head light-house.

The rear beacon is 25 feet high, painted white, and bears N.E. $\frac{1}{2}$ N., distant 390 yards from the front beacon.

These beacons in line, bearing N.E. $\frac{1}{2}$ N., lead northward of Tory shoal; also over the bar, but on account of its distance from them, these beacons cannot always be seen from the bar, and therefore the beacons erected on the high land north-eastward of the light-house should, as hitherto, be used for crossing the bar.

Vessels entering Kaipara harbour, after passing Tory shoal, should haul more to the eastward to avoid getting too near the northern shore, both flood and ebb streams setting towards that shore.

A look-out should be kept for any signal shown from the Semaphore station on North head.

A new light-house established on the island of Sheikh-ul-Abu.

THE Government of Bombay has given notice that the Musawwa authorities have established a light-house on the N. N.-W. point of the island of Sheikh-ul-Abu, situated—

N. Latitude $16^{\circ} 2' 16''$,

E. Greenwich Longitude $39^{\circ} 24' 45''$.

The light is a fixed one, and on clear nights can be seen at eight miles distance. At low tide it is about 14 metres above the level of the sea. It illuminates with red light a sector of 40° between the 136^{th} and 176^{th} degree, with white light a sector of 160° , leaving a dark sector of 160° between the 336^{th} and 136^{th} degree.

MORETON BAY.

Amended southern limit of inner white sector of Yellow Patch light.

With reference to Notice to Mariners, No. 78, dated the 10th June 1890, issued by this Office, the British Admiralty has given notice (No. 301 of 1890) that the southern limit of the inner white sector of Yellow Patch light is on an E. $\frac{1}{4}$ S. bearing, not E. $\frac{1}{4}$ S., as previously stated. Vessels entering North channel when northward of this southern limit must keep Tangaluma light slightly open westward of Cowan Cowan light, and should not get westward of the leading mark of Tangaluma and Cowan Cowan lights in line while within the distance of one mile southward of the limit. With these lights in line, the depth abreast East bank does not now exceed 17 feet at low water.

Also that Yellow Patch old lighthouse is still standing, and kept in line with cape Moreton lighthouse, gives by day the same position in Howe or North channel, as that of the southern limit of the inner white sector of Yellow Patch light.

Position of Point Divi light-house.

THE following Notice to Mariners (No. 289 of 1890) issued by the British Admiralty is republished:—

The following information has been received from Commander R. F. Hoskyn, R. N., in charge of India Marine Survey, relative to the position of point Divi light-house:—

Point Divi light-house is situated on the bank of the river, not on the coast, S. 7° W., $9\frac{3}{4}$ miles from Masulipatam flagstaff, or in lat. $15^{\circ} 59' 30''$ N., long. $81^{\circ} 8' 8''$ E.; it is on the eastern bank of the river, but owing to the inaccuracy of the existing chart, the above position places it on the western bank. The configuration of the coast has also much altered since last surveyed.

GENERAL DEPARTMENT.

Bombay Castle, 6th August. 1890.

No. 3109.—In exercise of the power conferred by Act I of 1870, the following Rules for Quarantine against Cholera have been made by the Government of Bombay, with the previous sanction of the Governor-General in Council: they have effect from the 31st ultimo in the Ports of Aden, Perim and the Somali Coast as a temporary measure:—

I.—The Commander of every vessel, including baggalows or other native craft, arriving from the Island of Galesong, Dutch Indies, shall, before entering the harbour, indicate by signal the port from which such vessel has come.

II.—Such Commander shall not, except as hereinafter provided, allow any communication, either with the pilot boat, except orally, or with the shore, or with any other vessel or boat in the harbour.

III.—Immediately on arrival the Commander shall cause the letter R of the Commercial Signal Code to be hoisted, and shall keep the said flag flying during his stay in port or until authorized by the Health Officer to haul it down. If communication with the shore is not desired, the vessel shall anchor at such place as may be pointed out by the Port authorities, having regard to the season of the year. If communication with the shore is desired, the Health Officer shall go alongside the vessel, and, after all necessary enquiries, shall direct the Commander to take the vessel to the quarantine anchorage duly appointed and notified in that behalf by the Resident, there to remain for a period of seven days from the date of arrival, or for the shorter period prescribed in Rule IV, and undergo disinfection, which should apply as well to crew, passengers, effects, and susceptible goods.

IV.—If the Health Officer of the Port has sufficient evidence that no cases of a suspicious nature have taken place on board during the voyage, and if the vessel is besides in good hygienic condition, the duration of the quarantine will be diminished according to the following scale:—

After eight days of voyage	six days of quarantine.
Do. nine do.	five do.
Do. ten do.	four do.
Do. eleven do.	three do.
Do. twelve do.	two do.
Do. thirteen do.	and upwards	...	twenty-four hours of quarantine.

V.—If during the period a vessel is at the quarantine anchorage aforesaid, any case or cases of cholera should occur on board, the said vessel shall remain in quarantine for a period of seven days from the date of the last case occurring, and be subject to all the prohibitions provided for in Rule III.

VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of seven days. If a case of cholera occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.

VII.—Any mails or cargo which may be brought by any vessel so arriving shall be landed under such precautions as the Health Officer may deem necessary to prevent the spread of the disease.

VIII.—It will be the duty of the Port Officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores and other articles as may be required by those on board. Such supplies will be placed on the boats of the vessels in quarantine to be subsequently removed by members of their crews.

IX.—All vessels arriving at Aden, Perim and the Somali Coast which may have communicated with vessels coming from the Island of Galesong shall be subjected to the same quarantine as vessels arriving at Aden, Perim and the Somali Coast from that island.

X.—All vessels which have undergone quarantine in the manner above prescribed should have the fact clearly stated on their Bills of Health.

By order of His Excellency the Right Honourable the Governor in Council,

Night signals—Colombo harbour.

THE Colonial Government of Ceylon has given notice that on and after 1st August next, the following signals will be made at night from the Pilots' look-out tower at the Flagstaff, in answer to signals for a Pilot made by vessels inward bound:—

1. One blue light, to signify that the Pilot on night duty is disengaged, and will proceed at once to the vessel making the signal.

2. Two blue lights in succession with a short interval between, to signify that the Pilot is engaged with another vessel, and may be delayed some time in getting out to the vessel making the signal.

3. Three blue lights in succession with a short interval between, to signify that a Pilot will not go out, the weather being too bad for safely boarding a vessel at night, an event, however, which seldom happens. Under such circumstances the vessel should either anchor well out, or keep underweigh till daylight.

Shoal eastward of Proudfoot shoal.

THE British Admiralty has given notice (No. 323 of 1890) that telegraphic information has been received from Commander L. S. Dawson, H. M. Surveying Vessel *Rambler*, of the existence of a shoal with a depth of 24 feet over it, lying in the Western approach to Torres strait, with Proudfoot shoal bearing W. $\frac{1}{2}$ S., distant about 8 miles.

Approximate position, lat. $10^{\circ} 31' S.$; long. $141^{\circ} 37' E.$

This position is 3 miles W.N.W. of the rock, with about 18 feet on it, reported in Notice to Mariners No. 243 of 1890, 15 miles W. by N. of Booby island, and it is not improbable that the two are identical, as *Rambler* was directed to verify the former report.

Amended position of Batavier reef.

THE British Admiralty has given notice (No. 336 of 1890) of the following amended position and particulars of the Batavier reef, on the authority of the Commander of H. N. M. S. Flores, dated 3rd May 1890:—

Batavier reef extends about $6\frac{1}{2}$ cables in a north-east and south-west direction, with a width of about 4 cables; the least depth obtained was $4\frac{1}{2}$ fathoms, and its position is indicated by discoloured water; it lies with the following bearings and distance:—

• Cape Borang, north extreme of Great Ké island N. 80° E.
Rumadan islet S. 26° E.,
	distant about 8 miles.

Approximate position : lat. $5^{\circ} 21' S.$, long. $132^{\circ} 39' E.$

NOTE.—About $3\frac{1}{2}$ cables northward of Batavier reef is a small shoal with a depth of 9 fathoms. Between the reef and the shoal, the lead gave no bottom at 20 fathoms.

Kaipara Harbour.

Additional leading beacons on North head.

THE British Admiralty has given Notice (No. 312 of 1890) that two additional leading beacons have been erected on the low sand hills seaward of the light-house on North head, north side of entrance to Kaipara harbour :—

The front beacon seaward of the light-house on North head is 25 feet high, painted white, and situated S.W. by W. distant $1\frac{1}{2}$ miles from North head light-house.

The rear beacon is 25 feet high, painted white, and bears N.E. $\frac{1}{2}$ N., distant 390 yards from the front beacon.

These beacons in line, bearing N.E. $\frac{1}{2}$ N., lead northward of Tory shoal; also over the bar, but on account of its distance from them, these beacons cannot always be seen from the bar, and therefore the beacons erected on the high land north-eastward of the light-house should, as hitherto, be used for crossing the bar.

Vessels entering Kaipara harbour, after passing Tory shoal, should haul more to the eastward to avoid getting too near the northern shore, both flood and ebb streams setting towards that shore.

A look-out should be kept for any signal shown from the Semaphore station on North head.
